STUDY ABROAD IN PANAMA

Study abroad in Panama grants you a wonderful opportunity to steep yourself in a society rich with culture, history and beauty.

Plus, Panama's location in Central America allows you to explore the surrounding region at a low cost while studying abroad!

Geography of Panama

Panama is located on the isthmus that connects North and South America. It is the southernmost country of Central America and shares borders with Costa Rica and Colombia. Its northeastern coastline borders the Caribbean Sea and its southwestern coastline borders the Pacific Ocean.

Study at Universidad Tecnológica de Panamá

UTP Departments

The **Universidad Tecnológica de Panamá (UTP)** founded on August 13th, 1981.

The **UTP** also known as "*La Tecnológica*", is the state leading **institution in higher education in Engineering, Science and Technology** in the Republic of Panama.

Academic Schedule

1st semester: March to July

2nd semester: August to December

Note: You should send all the documents for the application three months before the beginning of the academic semester.
